5x9, 60 lines

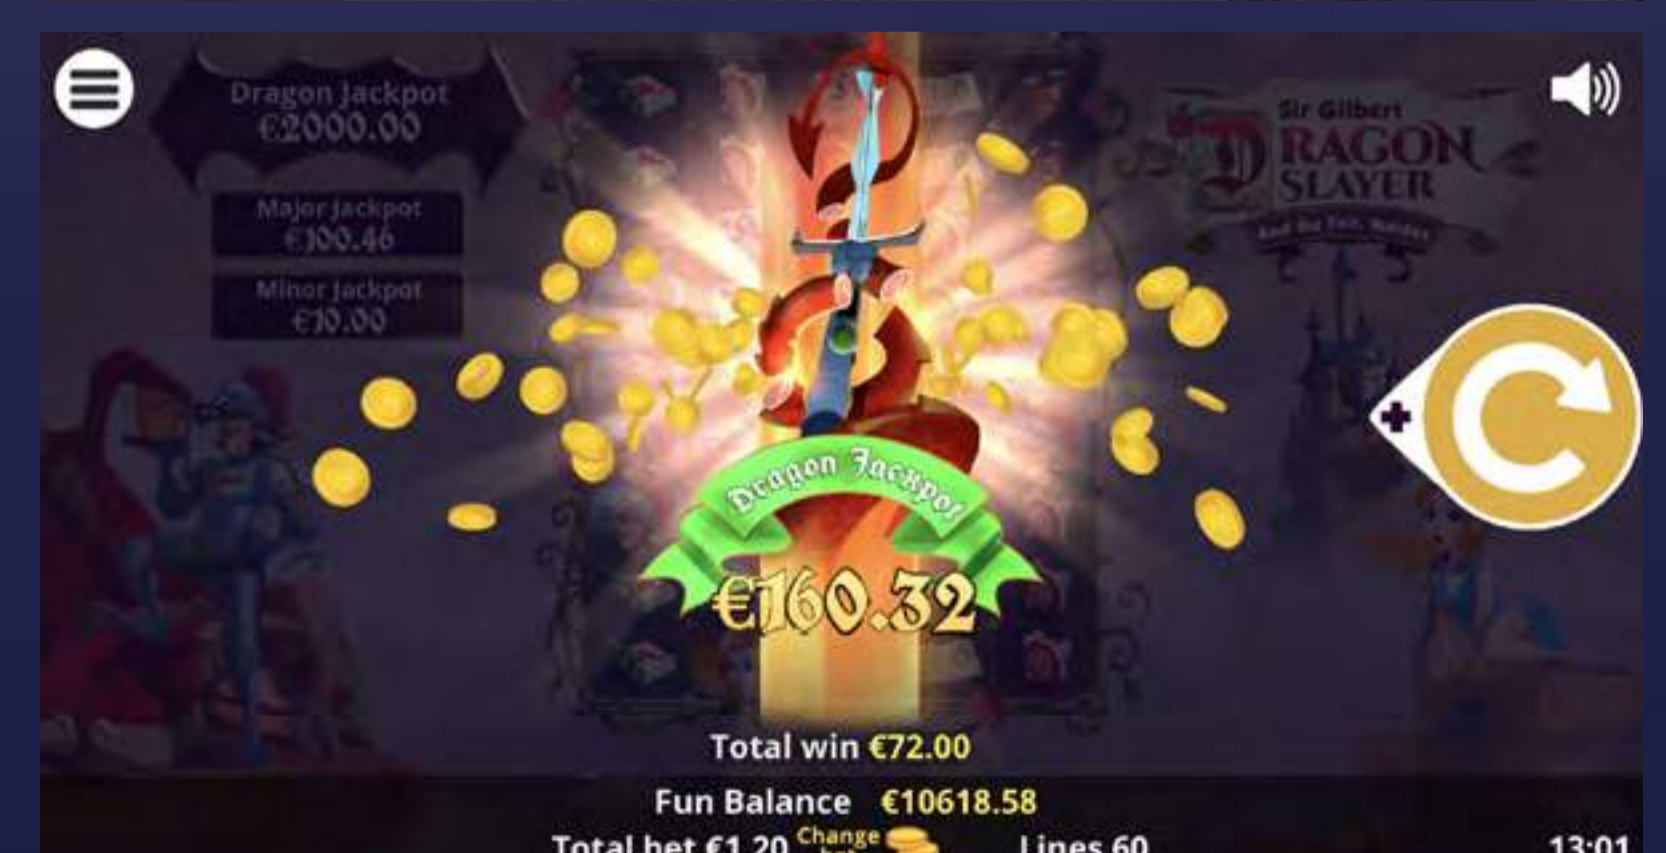

Volatility: high

Sir Gilbert, the valiant knight, sets out to fight the dragon and rescue the fair maiden. The dragon Slayer game is an epic adventure!

Played on 60 lines featuring the epic Respins and the **Bonus Game** where you have to defeat the evil dragon!

And of course, there are **3 Jackpots** for you to win when you spin the **Wheel of Fortune**, which can be triggered in two ways: by winning the Bonus game or by a powerup during Respins!

Bring home the princess, half the kingdom, and all the dragons gold!
